

## Cara Instalasi Perpanjang Mandiri

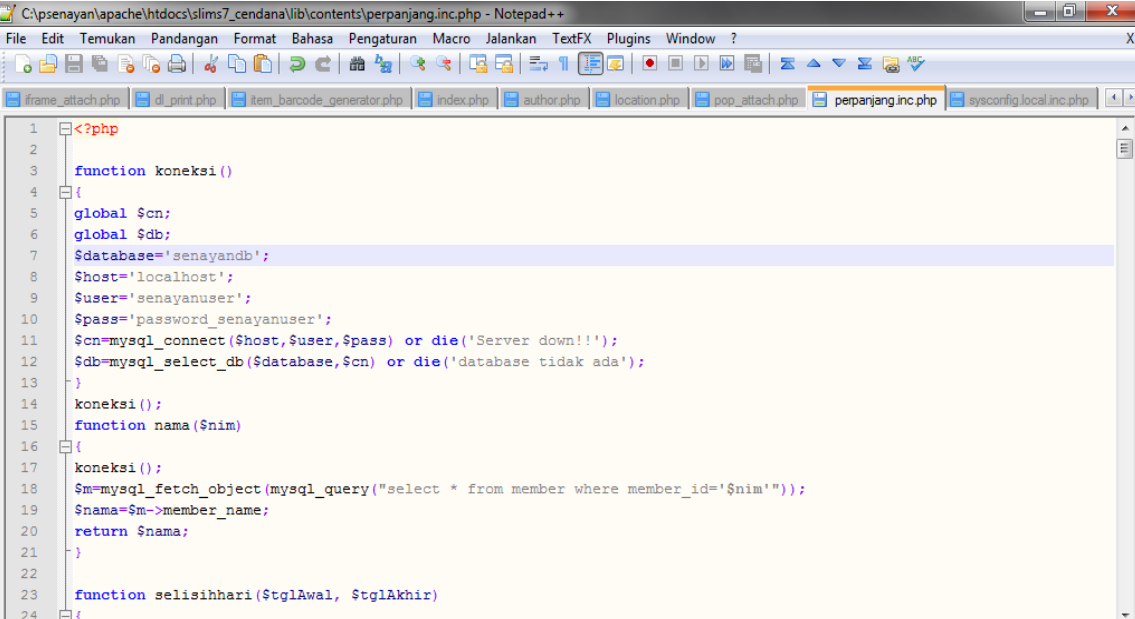

### 1. sesuaikan database

\$database='senayandb';

\$host='localhost';

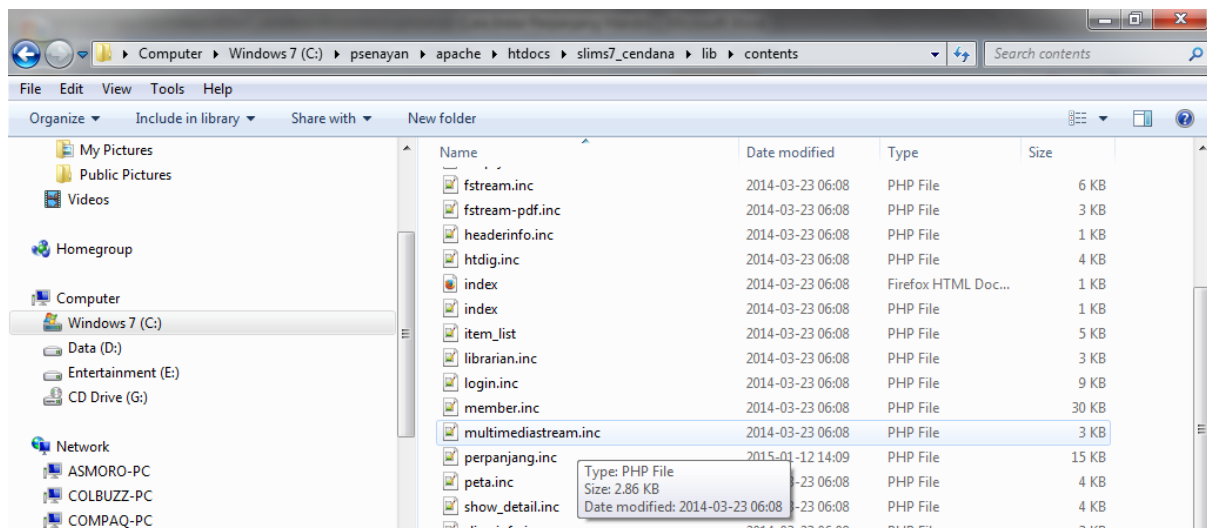

\$user='root';

\$pass='isikan jika ada password';

```
1 <?php
2
3 function koneksi()
4 {
5     global $cn;
6     global $db;
7     $database='senayandb';
8     $host='localhost';
9     $user='senayanuser';
10    $pass='password_senayanuser';
11    $cn=mysql_connect($host,$user,$pass) or die('Server down!!');
12    $db=mysql_select_db($database,$cn) or die('database tidak ada');
13 }
14 koneksi();
15 function nama($nim)
16 {
17     koneksi();
18     $m=mysql_fetch_object(mysql_query("select * from member where member_id='$nim'"));
19     $nama=$m->member_name;
20     return $nama;
21 }
22
23 function selisihhari($tglAwal, $tglAkhir)
24 {
```

### 2. Copi dan paste perpanjaang.inc ke letak file di direktori lib/contents/

### 3. buka dengan alamat [http://localhost/slims7\\_cendana/index.php?p=perpanjang](http://localhost/slims7_cendana/index.php?p=perpanjang)
